\$ 6875.⁰⁰

Cost of Services

In Rem Solutions proposes the following services and fees for Grantwriting Services:

1. Determine funding needs.
2. Prepare City needs assessment.
3. Research funding sources.
4. Prepare and submit grant applications.
5. Prepare award applications.
6. All other services as outlined in the scope of work.

The full grantsmanship contract can be provided for a fixed annual fee of \$55,000. Fees include charges incurred for research, professional staff, office expenses and other overhead expenses. Costs which are not covered by this fee include advertising and public notices, extraordinary travel expenses, engineering fees and other fees necessary to the submission of an application. These fees will not be incurred without prior approval of the client.

Services are also available on an hourly rate contract at \$125 per hour.
